Dear Bob,

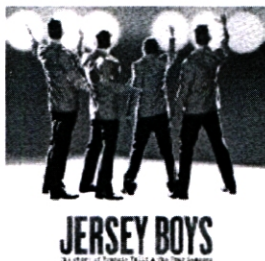

As the incoming President of Atlanta Landmarks, Inc. I am grateful for the opportunity to work with you toward the continued success of both Atlanta Landmarks and the Fox Theatre. I share the sentiments of Alan Thomas when I say that your input is important to the future of the theatre and I look forward to your reactions to both our ongoing and new projects. We cannot thank you enough for your participation and energy and hope that you will be able to attend the next Board of Trustees meeting scheduled for Thursday May 28, 2009 at 4:00 PM.

The May meeting will be followed by an exciting evening at the Fox Theatre. As always, we have the opportunity for dinner and a show for you and a guest – in this case, the show is this season's blockbuster JERSEY BOYS. Advance ticket sales are very strong for this show and we anticipate sell-outs for JERSEY BOYS. Happily, we are holding great seats for the evening of May 28th however do have a requirement to confirm tickets by March 1st so all responses must be in prior to that date.

The schedule for the evening is as follows:

EXECUTIVE COMMITTEE MEETING:
BOARD OF TRUSTEES MEETING:
DINNER:

2:00 PM / Conference Room
4:00 PM / Spanish Room
6:15 PM / Grand Salon

JERSEY BOYS

8:00 PM

Included with this letter is a response card and return envelope which we ask that you return no later than March 1, 2009. Unfortunately we cannot guarantee ticket availability after that date so please return by the due date. We are hopeful that you will be able to join us on May 28th. If you have any questions, please call Shelly at 404/881-2054 and she will be happy to help you.

Very truly yours,

Woody
